Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on building a kind and inclusive community.

We are doing this to see an improvement in student well-being and overall academic achievement.

Throughout the year, we will be:

1. Engaging student voice in kindness strategies.
2. Utilize Diversity Kit resources to support students' understanding of empathy and inclusion.
3. Investigate School Mental Health resources to support the establishment and maintenance of safety and belonging.

Community/Home Connections

Ask your child about what they did today to be kind to someone.

Try a calming strategy at home with your child.
