

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan Ensuring Positive Learning Environments

 This year we are focusing on respect.

We are doing this to recognize and appreciate our cultural diversity.

Throughout the year, we will:

1. Model and explicitly include respect and diversity into classroom curriculum and discussions.
2. Develop division consistency through sharing resources, recognizing student achievement, and positive hallway interactions
3. Promote diversity during school wide activities

Community/Home Connections

Ask your child about how they demonstrated respect in class or on the yard.

Encourage your child(ren) to consider their personal stereotypes/bias.
