Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on building relationships and connecting with one another.

We are doing this to see an improvement in student well-being and overall academic achievement.

Throughout the year, we will be:

1. Connecting staff to students through our 'Angel Network. Students will be connected to a caring adult where staff are doing regular check-ins to build a student's sense of belonging.
2. Acknowledging acts of positivity and sportsmanship during recess times.
3. Creating virtual character assemblies that focus on positive learning skills.

Community/Home Connections

Ask your child about one positive experience that they did throughout the day.

Encourage your child to be a positive advocate for themselves and others.

Check out this resource <https://witsprogram.ca/> about how we can all use our WITS to solve a conflict.
