

# Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

## Safe and Inclusive School Plan

### Ensuring Positive Learning Environments

This year we are focusing on our sense of school community.

***Together We Make Northridge Great!***

We are doing this to ensure all students feel valued, included and see themselves as a valued member of the Northridge school community.

**Throughout the year, we will be:**

1. Celebrating student strengths, talents and achievements
2. Supporting the understanding of healthy friendships
3. Continuing our focus on kindness.

### Community/Home Connections

Ask your child how they displayed kindness to another student at school today.

Discuss what healthy friendships look like, sound like and feel like.

Check out this resource [Stop It, Name It](#) about steps to explain and ask for change.
